INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuitie or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Ella Marris,

Hammac, Escambia Co., Ala.

Madam:-

Relative to your application for participation in the distribution of the Eastern Cherokee fund, please state whether you claim your Cherokee descent through your father or mother.

Why were your parents not enrolled in 1835 and 1851. Were they, or either of them, ever recognized by the tribe as being Cherokee Indians?

Who were your grandparents on both your father's and mother's side? Where did they live at that time?

Were your parents held as slaves? If so, were they owned by white people or Indians?

In your application to participate in this fund, you have failed to answer many of the material questions which would tend to show your right in this investigation. You must furnish this office with good, strong and conclusive evidence showing your connection with the Eastern Cherokee tribe of Indians, or your claim will be marked for rejection.

Respectfully,

JEX/AIL

Ella Morris,

Hammac, Ala.

Madam:

Relative to your application for participation in the Eastern Cherokee fund, please state why you, your parents, or your grandparents were never enrolled.

Were any of your ancestors slaves? Were any of your ancestors Creek Indians? Were they recognized as members of the Creek Tribe?

State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Mr. Guion Miller,
Special Commissioner, etc.,

Washington, D.C.

Dear Sir:-

I enclose herewith a letter from J. W. Cole, Adam Cole and Tiney Cole, Jr., of Ivyton, Kentucky, regarding a claim that was recently filed by them as descendants of the Cherokees. Will you please return this letter to me and advise me what evidence it will be necessary for the claimants to furnish in order to substantiate their claim.

Very respectfully,

Dict JWL/B

Geo W Langley

App. #31624.

November 26, 1907.

Hon. John W. Langley.

House of Representatives,

Washington, D. C.

Sir:-

I have the honor to acknowledge receipt of your letter of November 25, 1907, inclosing a letter from J. W. Cole, Adam Cole and Tiney Cole, Jr., of Ivyton, Kentucky, relative to their claims for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

You are advised that the applications for participation in this fund are being taken up in their regular order and considered, but as the applications of the above parties have not been reached I cannot state at this time whether they are entitled to share in the fund.

As there are over 44,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

The claimants will be advised if there is any further information required in connection with their applications.

The inclosed letter is returned to you, as requested.

Very respectfully,

NLC

Special Commissioner.

Sir:-

Replying to your letter of August 23, 1907, you are advised that the applications for participation in the Eastern Cherokee Fund have not been taken up for final consideration, and we cannot state, at the present time, whether or not you are entitled to participate in this fund, or just how much each successful claimant will receive.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

There are no lands to be allotted in connection with this fund.

Very respectfully,

NLC.

COURT OF CLAIMS

No. 81662

June 24, 1909.

Mr. Guion Miller,
Special Commissioner,
Washington, D. C.

Dear Sir:-

In re. Claim No. 31662, George Washington Simmons,
Danielsville, Ga.

Party in above named claim has employed me to take the matter up and file his exceptions in compliance with your circular letter of June 10th. All I know about the matter is what is stated in the circular letter, and I wish to obtain some additional information from you. I notice in your letter you name the dates of ancestors living in 1835 or 1851. Is it necessary for claimants to trace their ancestry back to some Cherokee Indian whose name was included in some enrollment of the Cherokee tribe in one of those years? This man Simmons is thoroughly truthful, and I gathered from conversation with him that his father was a son of a fullblooded Cherokee Indian woman whose name was Mary Clemmons (Clements) before marriage to his grandfather. His grandfather died before 1835, and it may be that his grandmother was enrolled under the name of her last husband as she had married again before 1835. I would like to have any circular you have giving full information relative to the Act authorizing the distribution of the fund, and outlining the conditions upon which it is to be paid out.

Trusting that I may hear from you at once in order that I may give the matter proper attention, I am,

Yours very truly,

Clarence E. Adams.

Appl. #31662

April 3, 1908.

George W. Simmons,
R. F. D. # 4,
Darnellsville, Ga.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where you resided in 1882, and why you were not enrolled at that time.

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, please state whether slaves of Indians or white people.

Very respectfully.

Dear Sir:

Replying to your communication of April 3rd I have to say:

- (1) In 1882 I was residing at Middlesboro, Kentucky, and was not enrolled at that time because I did not know any enrollment was being made then.
 - (2) I do not know why my parents through whom I claim were not enrolled in 1851, probably for the reason that they did not know of any enrollment being made then. They were residing in Jefferson County, Tenn. in 1834-35.
 - (3) My grandparents were living at some place in North Carolina in 1834-35.
 - (4) My grandparents were not slaves, but my parents were considered as slaves, though neither sold or bought, but lived upon the place and under the protection of one John Dyer, a white man.
- My present address is 107 E. Depot St. Knoxville, Tenn.

Very truly,

John Dyer

In the case of Winfield Carter, in which exceptions have been recently filed based upon the testimony of Henry Alexander and Julia Alexander, I desire to say that I knew these persons when I was a boy and I believe they are telling the truth. Both of them were slaves and owned by my father, and have changed their names since they were free.

Honorable Robert L. Taylor,

Sir:

I have the honor to acknowledge receipt of your letter of August 16, 1909, in reference to the application of Winfield Carter for participation in the Eastern Cherokee fund.

I note that you state the witnesses in support of this claim are creditable. It would appear, however, that the claimant has to trace descent through an ancestor who was a slave, and he would therefore not be entitled to participate in this fund, as such ancestor would not have been a recognized member of the Eastern Cherokee tribe.

The affidavits will, however, be given careful consideration.

Very respectfully,

Special Commissioner.

My name is Kissiah Gibson; I was born in Wise Co/

I think my father was born in Wise Co. Va. about 1765; he died in
1865. My mother was born in Wise Co. Va. about 1765. My mother
died in 1870: In 1835 I and my father and mother lived in Wise Co/
Va. In 1851 I and the ancestors thru whom I claim lived in Floyd Co. Ky.
In 1835 the grandparents thru whom I claim lived in Wise Co. Va.
In 1835 my parents and grandparents thru whom I claim lived among the
Cherokees in Wise Co. Va. I don't know whether they lived as members
of the tribe or not; none of the ancestors thru whom I claim were
ever held in bondage; none of the ancestors thru whom I claim were
ever enrolled that I know of and never received any money or land
as an Indian; none of my ancestors ever had an Indian name that I
know of:

I never heard my grandparents say how much Indian blood they
had; they always told us that we belonged to the Cherokee generation.
My father was a voter. In this community I have always been regarded
as having Cherokee Indian blood.
